REMARKS

1900 CENSUS INDEX
DEPARTMENT OF COMMERCE
BUREAU OF THE CENSUS

A-3

U. S. GOVERNMENT PRINTING OFFICE

19-11570

1. The first part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy. It is found that the state has played a significant role in the development of the economy in many countries, particularly in the case of developing countries. The state has been able to mobilize resources, provide infrastructure, and create a favorable environment for investment and growth.
